

Department of Art + Design

Art makes life meaningful. Design makes life possible.

The work of artists and designers informs and forms cultures, benefits society and empowers the global marketplace of ideas. As a student of art and design you are encouraged and enabled to prepare for a rich and rewarding life making a significant difference in the lives of others.

Guidelines

Majors, half-majors and combined majors are only available to freshman and transfer students with freshman standing. Minors are available to middlers and below. Art + Design major and minor in the same area are not allowed.
