PRODUCTION ACHIEVEMENT AWARD

DEPARTMENT MISSION
The Department of Communication Studies is dedicated to providing a liberal arts education where critical skills, concepts and thinking are developed in conjunction with practice and application. Through a study of processes, patterns and media of communication, a degree in Communication Studies from Northeastern University provides the enriching background to allow our students to contribute significantly to the communication sector, whether that contribution is within organizations or in the media industries.

ABOUT THE AWARD
In collaboration with our production faculty, the Department of Communication Studies is sponsoring an award for the best achievement in video production. This award acknowledges exceptional skill and creativity used by our students in production, rewarding their achievements. The winner of the Production Achievement Award will receive a $300 prize and a plaque.
