Frances Fitzgerald

Funds were created a generation ago for the care of adults who lived in facilities such as the Fernald Center in Waltham. Legal bills alone took a substantial portion of those funds. An estimated 600 of the original 1,800 personal trustees stand to inherit leftover funds — did not.

In at least seven other cases, American used identical language in her conclusion. In a telephone interview, she said she received the language as a way to avoid challenging legal or trust accounts with malfeasance. ...In an e-mail to the Globe, she said the only disbursements were for legal and trust fees.
