Degree Audit – Transfer Credit

- Must be evaluated by academic department
- Non-transferrable due to non-academic content
- Grade was below “C” which is non-transferrable
- Updated transcript is required for final grades

All credits awarded from AP, IB, GCE and transfer courses.
Course numbers on right are from transfer institution. Course numbers on left are NU equivalent
If you see “>X” instead of “T”, you are in danger of forfeiting transfer credit due to registered courses!
Transfer and AP Credit

You **should not** enroll in any course for which transfer or AP/IB credit **has** already or **may** be granted. Please let your advisor know if you have any credit that is not appearing on your degree audit.

You have **one academic semester** to get all previous transfer and AP/IB coursework finalized on your NU record.

**Note:** AP and IB Scores must come directly from College Board

All final transcripts, course descriptions, or score reports you have not yet submitted should be sent to Northeastern Admissions.

Please refer to the Undergraduate Admissions website for further information on transfer credit:

- Enjoy yourself, but not TOO much.
Questions?
Intro to NU’s Academic Integrity Policy

A commitment to the principles of academic integrity is essential to the mission of Northeastern University. The promotion of independent and original scholarship ensures that students derive the most from their educational experience and their pursuit of knowledge. Academic dishonesty violates the most fundamental values of an intellectual community and undermines the achievements of the entire University.

http://www.neu.edu/osccr/academicintegrity
Academic Integrity Violations

- **Cheating**
  - Using or attempting to use unauthorized materials, information or study aids.

- **Fabrication**
  - Falsification, misrepresentation or invention of any information, data or citation.

- **Plagiarism**
  - Using the words, ideas, data, code or other original academic material of another, without proper citation or attribution, as one’s own.
Academic Integrity Violations

- Unauthorized Collaboration
  - Instances when students submit individual academic works that are substantially similar to one another.

- Participation in Academically Dishonest Activities
  - Any action taken by a student with the intention of gaining an unfair advantage over other students.

- Facilitating Academic Dishonesty
  - Intentionally or knowingly helping or contributing to the violation of any part of the academic integrity policy.
Academic Integrity and You

- Students must become familiar with these rights and responsibilities.
  - Knowing the requirements and restrictions of research, writing and examinations in your classes.
    - Read your class syllabus carefully
  - Learning the conventions of documentation and acknowledgement of sources used in your field.

- If in doubt, ask your professor!
