Welcome to graduate studies at Northeastern University’s College of Arts, Media and Design (CAMD). This is an exciting time to pursue advanced education and scholarship in creative fields. Never have the arts and culture been so clearly essential to our social, economic, and environmental future. From artist outreach in under-served communities to ‘serious’ game design for health and security; from green building innovation to sustainable urban design; from international entertainment and media to provocative performances in found spaces; from incisive data visualization that changes how we view the world to cutting edge journalism – our faculty and students are involved in a wealth of academic experiences, creative enterprises, and professional endeavors.

At CAMD, we take our mission and vision very seriously. We deliver an outstanding graduate education in traditional areas while exploring new approaches to this generation’s transformative questions. Our community is intellectually rich, educationally vibrant, and professionally productive. Our interdisciplinary degree options provide a strong foundation of use-inspired, experientially informed coursework and research opportunities. Our programs produce graduates equipped to engage the international marketplace and shape global culture.

We hope that this catalog is a useful reference as you embark on your graduate education. In addition, please take a moment to introduce yourself to the faculty and Graduate Coordinators in your fields of interest. Become familiar with the many events offered across the college and campus through our Center for the Arts at northeastern.edu/camd/cfa. Learn about graduate activities at northeastern.edu/camd/graduate, where you’ll find news and links to services such as the Registrar’s office. Finally, be sure to explore the numerous links to graduate resources, policies, and organizations: northeastern.edu/graduate.

We look forward to getting to know you, and to incorporating your individual education and career interests into the graduate community of the College of Arts, Media and Design.

Sincerely,

Student Classification

REGULAR STUDENT
Those students who are admitted to a degree program.

CONDITIONAL STUDENT
Students whose admissions files are missing documentation. Conditional students must submit the requested documentation, to the satisfaction of CAMD Graduate Studies, no later than the completion of their first month of study. Once the documentation has been submitted, the student’s status will be re-evaluated.

PROVISIONAL STUDENT
Students whose academic records do not qualify them for acceptance as regular students. Provisional students must obtain a B (3.000) average in the first nine semester hours of study or meet specifically delineated departmental requirements to qualify for full acceptance to a degree program. Provisional students are not eligible for awards or financial aid.

SPECIAL STUDENT
Special students are enrolled on a part-time basis (no more than six semester hours per semester). Credit can be earned for a maximum of 12 semester hours over time. Students interested in taking more than 12 semester hours must make a formal application to the degree program. Please use the Internal Admission Application Notification form available through northeastern.edu/camd/graduate. Special students who do not register for four consecutive semesters (excluding summer semester) will be subject to review and possible withdrawal by CAMD Graduate Studies.

Student Status

For academic purposes, a graduate student is considered a full-time student if enrolled in a minimum of eight semester hours of credit for the semester, with the following exceptions:

All graduate students who are formally registered in a continuation status, Master’s Research, or Master’s Continuation, may be considered full-time at the discretion of their department. It is ordinarily assumed that such students will be in residence. Students in their last semester of coursework may be considered full-time when enrolled in fewer than eight semester hours to complete degree requirements.

Students enrolled in co-op are considered full-time. International students are required and domestic students are encouraged to complete two full semesters of classes before registering for co-op.

NOTE: To be eligible for some types of financial aid, the minimum full-time load may be defined differently. For information, contact:

Degree Regulations

REGISTRATION
Students must register via the myNEU portal. Instructions for doing so are available on the myNEU portal: myneu.edu. Students must register within the dates and times listed on myNEU. Web registration is available during the first and second weeks of the semester for adding and dropping courses. Students who fail to register within this time frame will not earn credit or a grade for the course(s) in question.

Students are encouraged to obtain advisor approval of course selections each semester. This approval is required by some departments for all students. Students should check with individual departments for specific guidelines.

WITHDRAWAL FROM COURSES
To withdraw from a course, a student must drop the course via the myNEU Website within the deadlines as established by the Registrar. Please refer to the Academic Calendar posted at northeastern.edu/registrar/calendars.

Absence Form must be completed. Students should contact University Health and Counseling Services at 617.373.2772. Their website is northeastern.edu/UHCS/forms. Leaves of absence generally are not approved for more than one calendar year at a time. Further, a leave of absence is generally not appropriate for an international student on a student visa, unless the student is leaving the United States. Please consult with an international student advisor at the Office of Global Services. Leagues of absence are not appropriate for master’s students who are working on a thesis but are away from the Northeastern campus. Except in the case of medical leaves, being on an approved leave of absence does not extend the amount of time allowed for (1) degree completion, or (2) the makeup of incomplete grades.

TIME LIMITATION
For the master’s degree, course credits earned in the program of graduate study are valid for a maximum of seven years.

If students wish to apply for an extension of the time limit, they must submit a petition to their department of study. The petition must include a detailed plan for completion of all remaining degree requirements. The department must certify that the content of each of the courses has not changed since the time the student completed the course. If deemed appropriate, the department will recommend approval of the extension to the College. The Associate Dean for Graduate Programs and Research has final approval of time limit extensions.

CONTINUITY OF REGISTRATION
Students are expected to maintain satisfactory progress toward their intended degrees. Students who have not completed their thesis after having registered for the specified number of thesis credits must register and pay for Master’s Continuation each subsequent semester until the thesis is approved by CAMD Graduate Studies and submitted to ProQuest. Master’s Continuation will carry no credit but will be recorded on the student transcript with the appropriate grade (S or U) for each semester of registration. All students must be registered in the last semester of their program. Any student who does not attend Northeastern University for a period of one year will be required to apply for readmission.

Satisfactory progress means satisfying requirements in the CAMD Graduate Studies General Regulations and in the regulations specified by each department.

CAMD Graduate Studies sets minimum standards for all students to fulfill. Departments and programs may have additional requirements that exceed those of the College. Graduate students must be making satisfactory progress, including working toward the graduation requirement of a grade point average of 3.000 in their coursework and the timely completion of coursework.

Receipt of financial support administered by CAMD Graduate Studies is contingent on satisfactory academic progress toward the degree and on meeting department-specific guidelines. CAMD Graduate Studies requires that all students receiving awards will generally have two semesters to reach a 3.000 GPA. Students whose cumulative GPA is below 3.000 will be reviewed by their departments and by CAMD Graduate Studies, and may have their funding terminated on recommendation of their department or by decision of CAMD Graduate Studies in consultation with their department. Renewals of awards will depend on the student making satisfactory academic progress toward the degree, including a GPA of 3.000 or at the department’s minimum GPA if it is higher than the CAMD Graduate Studies minimum, and satisfactory performance of any duties required by the award.
Students enrolled in a program offering a cooperative (co-op) education option may be approved to participate. A minimum GPA of 3.00 is required at the time the co-op job begins.

**ACADEMIC REQUIREMENTS**
A candidate for the master’s degree must complete a minimum of 30 semester hours of graduate-level coursework and such other study as may be required by the department in which the student is registered.

To qualify for the degree, a minimum cumulative average of 3.00, equivalent to a grade of B, must be obtained. This average will be calculated each semester according to the grading system noted on page eleven and will exclude any transfer credits or repeated courses. A student who does not make satisfactory progress toward degree requirements, as specified by the individual department, may be terminated from the program.

**THESIS**
Theses are required in some programs and should demonstrate the individual’s capacity to execute independent work based on original material. Registration for Thesis is required in most programs.

Theses must be approved by the departmental graduate committee and, in cases in which a grade is required, must receive a grade of B (3.00) or better to be accepted.

**CHANGES IN REQUIREMENTS**
The continuing development of CAMD Graduate Studies forces regular revision of curricula. When no hardship is imposed on the student because of changes and the facilities of the school permit, the student is expected to meet the most recent requirements. However, if it can be demonstrated to the CAMD Graduate Student Services Manager that doing so does impose a substantial hardship, the requirements of the year in which the student matriculated will be applicable.

**APPLICATION FOR THE DIPLOMA**
Application for the diploma is made by registering for commencement via the myNEU portal. Even though all other degree requirements may have been met, the commencement registration must be filed in order to assure that the degree will be conferred on the appropriate graduation date. It is the responsibility of the student to make sure that degree requirements have been met. Once degree requirements have been met, the student will be cleared for commencement. Please note that there are no honors distinctions awarded at the graduate level.

**GRADUATE AID AWARDS**
Only those students who are registered in degree programs are eligible for graduate aid. Award recipients will receive an official award letter from CAMD Graduate Studies. Please pay attention to this letter as it is an official contract which should be read carefully.

In order to maintain graduate aid, students must be making satisfactory progress toward their degrees. Graduate Student Scholarship (GSS) recipients must be in “full-time” status and be registered for a minimum of eight semester hours.

**TRANSFER CREDITS**
A student may petition to transfer up to nine semester hours of his or her program using credits from another institution, provided that the credits transferred consist of a grade of B (3.00) or better in graduate-level courses, have been earned at a U.S. accredited institution, and have not been used toward any other degree.

**Note:** If approved by CAMD Graduate Studies, credits from Northeastern University’s College of Professional Studies (CPS) transfer to CAMD Graduate Studies as external credits and count toward the nine semester hour maximum of transfer credit. As courses at other institutions may not parallel courses at Northeastern, the student’s academic department will determine the number of semester hours the external course will be worth. This calculation may result in fewer semester hours than the course was assigned at the institution at which the student completed the course. In addition, courses accepted for transfer credit must be no more than five academic years old at the time the student is admitted to graduate study. Courses older than five years will be accepted only in rare circumstances. Grades earned in transferred credits are not counted as part of the overall grade point average earned at Northeastern. Some departments accept fewer than nine transfer credits. Please refer to the appropriate department for specific information. Students should petition through their departments to the CAMD Graduate Student Services Manager by completing the Request for Transfer Credit Form available at: northeastern.edu/camd/graduate/current-students

An official transcript must be attached to the petition.

Generally, transfer credit is not allowed for students enrolled in graduate certificate programs, except as outlined below:

For students enrolled in the Information Design and Visualization or Experience Design certificate programs, credits earned can be applied to the respective master’s degree if the student chooses not to receive the graduate certificate.

Students who have completed a CAMD graduate certificate program can petition to apply up to two courses or 8 credits, whichever is greater, to a full CAMD master’s program.

Students who are enrolled in a CAMD master’s program who wish to also complete a CAMD graduate certificate can petition to have up to two courses shared between both programs.

Certificate students who wish to transition to a master’s program and master’s students who wish to add a graduate certificate to their program of study must consult with their advisor and CAMD Graduate Student Services.

**CODE OF STUDENT CONDUCT**
Students are expected to comport themselves according to the University’s Code of Student Conduct, which can be found here (northeastern.edu/osccr/code-of-student-conduct)

**ACADEMIC INTEGRITY POLICY**
Northeastern University views academic dishonesty as a very
serious offense. Academic dishonesty includes cheating, fabrication, plagiarism, unauthorized collaboration, participation in academically dishonest activities, and facilitating dishonesty, among other actions.

The College of Arts, Media and Design supports the University’s Academic Integrity Policy and will report any acts of apparent academic dishonesty to the Office of Student Conduct and Conflict Resolution.

The full text of Northeastern University’s Academic Integrity Policy can be found online at northeastern.edu/osccr/academic-integrity-policy.

These grades are given to those students whose performance in a course has been of the highest caliber.

These grades are given to students whose performance in a graduate level course is satisfactory.

These grades are given to students whose performance in a course is below expectations for graduate level work.

This grade indicates failure of the course and no credit will be received.

Individual faculty members may choose not to use the plus and minus designations. If they elect to use non qualified (+/-) letter grades, they must announce this policy to the class at the beginning of the semester.

THE FOLLOWING LETTER DESIGNATIONS ALSO ARE USED:

I* Incomplete without quality designation. This grade may be given to those students who fail to complete the work of the course, but it is only given after discussion with the professor. Note: An Incomplete Grade Contract must be filed with CAMD Graduate Studies at the time the “I” grade is issued. Failing to do so may result in financial aid implications, including loan repayment.

IP In progress, course extends over one semester.

L** Audit (no credit given)

NE Not enrolled. Note: Tuition charges are affiliated with a grade of NE.

S*** Satisfactory (pass/fail basis; counts toward total degree requirements)

U*** Unsatisfactory (pass/fail basis)

W Withdrawal. Note: Tuition charges are affiliated with a grade of W based on the schedule noted on: northeastern.edu/financialaid/studentaccounts/refunds.html

*The “I” grade will be changed to a letter grade when the deficiency that led to the “I” is met to the satisfaction of, and in the manner prescribed by, the instructor of the course. The period for clearing an incomplete grade will be restricted to one calendar year from the date it first being recorded on the student’s permanent record.

**Students may, with permission of the instructor and CAMD Graduate Studies, audit one class per term with no additional charge. Permission is based on the availability of a seat in the class and is at the discretion of the instructor and the college. Students are permitted to petition from the end of course-add period to the end of the third week of classes. Once a student opts to audit a course, the audit status of the course cannot be changed. Audits carry no academic credits.

***Requests for courses to be graded on an S/U basis must be agreed upon, in writing, with the instructor within the first two weeks of classes.

GRADING POLICIES

No more than two courses or six semester hours of credit, whichever is greater, may be repeated to satisfy the requirements for the degree. The most recent grade earned in a course is the one used in calculating the overall GPA. Students are required to pay normal tuition charges for all repeated course work.

The period for clearing an incomplete grade and for changing a grade other than an incomplete or failure (F or U) is restricted to one calendar year from the date it is first recorded on the student’s permanent record.

In calculating the overall cumulative average, all graduate-level coursework completed at the time of clearance for graduation will be counted, unless the coursework was designated as not counting at the time of registration or the coursework was counted toward a previous degree.

CLASS CREDITS

All credits are entered as semester hours.

DELIVERY OF SERVICES
Northeastern University assumes no liability for delay or failure to provide educational or other services or facilities due to causes beyond its reasonable control. Causes include, without limitation, power failure, fire, strikes by University employees or others, damage by natural elements, and acts of public authorities. The University will, however, exert reasonable efforts, when it judges them to be appropriate, to provide comparable services, facilities, or performance; but its inability or failure to do so shall not subject the University to liability.

The Northeastern University Graduate Student Catalogue contains current information about the University calendar, admissions, degree requirements, fees, and regulations; however, such information is not intended and should not be regarded to be contractual.

Northeastern University reserves the sole right to promulgate and change rules and regulations and to make changes of any nature in its program; calendar; admissions policies, procedures, and standards; degree requirements; fees; and academic schedule whenever necessary or desirable, including, without limitation, changes in course content and class schedule, the cancellation of scheduled classes and other academic activities, and the substitution of alternatives for scheduled classes and other academic activities. In any such case, the University will give whatever notice is reasonably practical.
Northeastern University will endeavor to make available to its students a fine education and a stimulating and congenial environment. However, the quality and rate of progress of an individual's academic career and professional advancement upon completion of a degree or program are largely dependent on his or her own abilities, commitment, and effort. In many professions and occupations, there are also requirements imposed by federal and state statutes and regulatory agencies for certification and entry into a particular field. These requirements may change while a student is enrolled in a program and may vary from state to state or country to country. Although the university stands ready to help its students find out about requirements and changes in them, it is the student's responsibility to initiate the inquiry.

**EMERGENCY CLOSING OF THE UNIVERSITY**
Northeastern University posts emergency announcements, including news of weather-related closings, on its homepage and notifies members of the community individually through the NU ALERT system. In addition, the university has made arrangements to notify students, faculty, and staff by radio and television when it becomes necessary to cancel classes because of extremely inclement weather. AM stations WBZ (1030), WILD (1090), and WRKO (680) and FM station WBUR (90.9) are the radio stations authorized to announce the university's decision to close. Television stations WBZ-TV4, WCVB-TV5, and WHDH-TV7 will also report cancellations. Since instructional television courses originate from live or broadcast facilities at the university, neither classes nor the courier service operates when the university is closed. Please listen to radio or television to determine whether the university will be closed.

If a storm occurs at night, the announcement of the university closing is given to the radio stations at approximately 6 a.m. Classes are generally canceled for the entire day and evening at all campus locations unless stated otherwise. When a storm begins late in the day, cancellations for evening classes may be announced. The announcement is usually made between 2 p.m. and 3 p.m.
