Greetings,

After reviewing the *Focused Evaluation Program Report* submitted by Northeastern University, the National Architectural Accrediting Board (NAAB) has found that the changes made or planned by the program to remove the identified deficiencies are satisfactory.

The term of accreditation stands. The next visit will be in 2018. The program is also required to submit annual statistical reports through the ARS.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
