What’s a Faculty Mentor and how do I get one?

This person is located in your major department(s)

These relationships may be pre-determined or happen organically through classes

They are professionals and academics in your field

They can answer questions about their experiences, education and employment path

You can ask them for course recommendations based on your interest

They can advise you on graduate school
When do I meet my Co-op Coordinator and what do they do?

• They are your guides for all things co-op
• You’ll take a one-credit class before going on co-op
• Co-op Coordinators are assigned to you based on your major and your last name
